

Hilton HHonors Military Program

The Hilton HHonors Military Program now is available in Ohio! Thanks to a partnership with the National Association of State Workforce Agencies, Hilton Worldwide is able to help eligible veterans with out-of-town job searches.

What is the Hilton HHonors Military Program?

This program is an extension of the Hilton HHonors point-based rewards program. When you become an HHonors Military member, Hilton will donate 100,000 points to your account to support travel related to your job search activities.

Who is eligible?

To be eligible, an individual must be a veteran, an active duty transitioning service member or active National Guard/Reservist. All individuals must be registered with OhioMeansJobs.com, Ohio's free job-search website.

Individuals must verify their veteran status in the Ohio Workforce Case Management System (OWCMS).

If you already are enrolled in a program that verifies your veteran status in OWCMS, you do not need to provide documentation. All other individuals must provide one of the following types of documentation:

- **DD-214 form OR veteran's designation on a state driver's license**
- **NGB-22 form (National Guard)**
- **DD-256 form (traditional Reservist)**
- **Military ID (active transitioning service members, National Guard or Reservist only)**
